

WELCOME TO YOUR FUTURE

Welcome to your place in the future of medicine. Welcome to LECOM, the Lake Erie College of Osteopathic Medicine. Here, at the nation's largest college of medicine, you'll

- experience a wide variety of student-centered pathways on your way to a career in healthcare;
- learn from recognized experts in their fields; and
- receive a surprisingly affordable medical education that prepares you to meet the highest standards for a career in osteopathic medicine, pharmacy or dentistry.

Welcome to your opportunity to shape the next generation of caring and compassionate healthcare professionals.
